

# DON PORRITT • SILVER COLLECTION

1

CURVILINEAR JUG

height 120mm, weight 325gm, capacity 275ml,  
Queens Jubilee mark

(2002)

2

LARGE CURVILINEAR  
JUG

oval section body – height 250mm, weight 750gm,  
capacity 800ml

w(2001)

3

FLUTED FLAGONS

smaller version with hammer  
texture fluting, height 195mm, weight 430gm

(2002)

larger version with cast fluting,  
height 218mm, weight 550gm

(2004)

4

FLASKS

seamed/fabricated construction with hammer  
textured detailing, designed as related pairs

small – height 215mm, weight 330gm  
large – height 235mm, weight 375gm

(2004)

small – height 227mm, weight 375gm  
large – height 238mm, weight 425gm  
(slightly larger and heavier versions)

(2007)

Minature  
version of  
smaller flask  
above

5

MINIATURE FLASK

hammer texture – height 158mm,  
weight 180gm

(2007)

6

FLAGON

seamed construction – height 235mm,  
weight 450gm

(2004)

# DON PORRITT • SILVER COLLECTION

7

BOWL

diameter 175mm, weight 300gm

(2004)

8

PLATTER/BOWL

cut and overlap technique – length 430mm, width 180mm, weight 825gm

(2004)

9

CUNEIFORM JUGS

small with etched back, no handle, height 100mm, weight 170gm

medium, with handle – height 122mm, weight 270gm

(2005)

10

BOWL 'WAVE TEN'

hand raised bowl, cover formed of segmental planes enclosing ten alternating silver/gilt wave formations – diameter 180mm, weight 1000gm

(2006)

11

PLATTER BOWL FORMS

(pair) – length 265mm, tapered width 155mm to 130mm, weight (each) 570gm

(2007)

12

WATER JUG

repousse back section – height 235mm, weight 700gm, capacity 700ml, BSW special mark

(2008)

# DON PORRITT • SILVER COLLECTION

13 JUG FORMS

related pair – progressive overlapping construction, heights 163mm/189mm, weights 320gm/425gm (2009)

14 LONG STEM SPOONS (6)

circular bowl, forged stem with cast terminal length 189mm, weight 36gm (2009)

15 DISH

circular dish form with six concentric elements surrounding a concave centre – diameter 220mm, weight 460gm (2009)

16 RELATED JUG FORMS

cut and overlap construction, heights 152mm/125mm, weights 255gm/170gm 'Jubilee' mark (V&A exhibition) (2012)

17 SPOONS

heavy cast handles (6) 'Jubilee' mark (2012)

18 CANDELABRUM

three varied height stems – maximum height 410mm, base diameter 190mm, weight 2640gm (2013)
